

## Reading with Young Children Makes a Difference

- Reading will improve your child's vocabulary – the more words they hear, the more words they will learn to speak and read!
- Reading to your child will help develop his/her love for books
- Children will learn about topics they wouldn't otherwise have the opportunity to experience
- Children will learn about the look and purpose of print
- Reading to your child will help him/her practice listening skills
- Reading will help your child develop self-regulation skills
- Reading together will strengthen the bond between you and your child
