MEMORANDUM

TO: Child Care Algoma Employees & Families
SUBJECT: Screening for Travel
FROM: Management
DATE: June 18th, 2021

Please be advised that Child Care Algoma will be removing screening for travel outside the Algoma District as of Monday, June 21, 2021. Child Care Algoma will now screen for travel outside of Canada based on the screening questions we will now use from the Ministry of Health and Ministry of Education, posted on our website at www.childcarealgoma.ca. We ask those employees and families who travel within Canada to ensure they wear personal protective equipment, practice physical distancing and/or wear a mask if they cannot practice physical distancing, and practice good hand hygiene. Please note that those who do travel choose to do so at their own discretion. At any time Child Care Algoma's travel policy may change if an outbreak or 'lockdown' occurs in a location of travel within Canada. If this does occur, those who have travelled may be directed to self-isolate before returning to the Program.

Thank you,

Management
